👁️ Join Me in Celebrating World Sight Day! 👁️

Today is World Sight Day, and I'm thrilled to be part of the movement with @OPC. Together, we're shining a light on the importance of vision health and the prevention of blindness.

Let's take a moment to #LoveYourEyes At Work. I challenge you to try the 20/20/20 rule: every 20 minutes, take a 20-second break, and focus on an object 20 feet away. It's a simple step to protect your eyes in the digital age. Share this post to spread the word! 💪🌍
